## APARTMENTS

## Welcome to Nordis Apartments

The TVs in the apartments have cast-software installed on the TVs, so you can simply stream content from e.g. Netflix or HBO directly from your mobile device to the TVs.. The TVs also have many apps pre-installed.

Here is a easy guide on how to connect

## How to stream content to the TV

---

### **ON YOUR MOBILE DEVICE:**

Find info by the kitchen. Scan the QR-code, or find correct network (apartment no.) and manually type the password. **Log on to the network.**

### **TURN ON THE TV**

Now you can stream from your mobile device. Press the **"Cast" symbol** and select the correct room number to cast to the desired TV.

Get entertained! Enjoy
